### NNStreamer Group Calendar Overview

Effective March 22, 2019: Group calendars are managed within LF AI Foundation Groups.io subgroups (mail lists); with each sub-group (mail list) having a unique group calendar. Meeting invites from these group calendars are sent to the applicable sub-group (mail list). In order to see the various group calendars you must:

- Be logged into LF AI Foundation Groups.io
- Be subscribed to the sub-group(mail-list) you're interested in
- . Thereafter, you will see all the calendars for the sub-groups you subscribe to under your LF Al Foundation Group Calendar via Groups io OR
- You can also view a specific group calendar via the Wiki (if the group has created a Wiki group calendar) whether you are a member of the sub-group (mail list) or not
  - o Example: LF Al TAC Group Calendar (tac-general@lists...) via Wiki
