## Speaker Resources

**Training Modules & Resources** - Below are several important resources for speakers presenting in a virtual session:

- [OSS Speaker Guide](#)
- [INXPO Studio Speaker & Moderator Training](#) - Specific training for the platform
- [Webcam Presenting Best Practice](#) - General tips for webcast presenters
- [Webcast presenter overview](#) provides a glance at the presenter tools in the platform, with the single speaker overview on page 1, and a multiple speaker overview on page 2.
- [System Check](#) - Ensure your computer is configured properly for the platform.
- [Compatibility Check](#) - Tests your webcam and audio devices, along with WebRTC and WebSocket connectivity on your network for streaming media (which includes webcam/microphone, screen share, media files, VCU, Encoder, etc.).
- [Additional computer tips](#) - Information to help optimize your system set-up.

## Event/Meeting Photos

Post final event photos to be used in future marketing, social, and content

## Planning/Meeting Notes

Add planning or meeting notes here for collaboration among event planning participants

- **Tracking for Event Lead Participants:**
  - Alka Roy, [alkaroy11@gmail.com](mailto:alkaroy11@gmail.com) - Trusted AI Committee: Mini Summit topics, content organization
- **Tracking for Interested Participants:**
  - [Travis Addair](#) - Horovod Project : I have a talk that has been accepted for OSSNA, so I'd be happy to participate in the LF AI Summit as well. Would be great to do a tutorial or similar as we did last year.
    - Note: If event is virtual, can cover content during both OSS NA and EU sessions
  - [Animesh Singh](#) - Trusted AI Committee: Block for Trusted AI updates.
    - Note: If event is virtual, can cover content during both OSS NA and EU sessions
  - Sophia Aryan, [sophia@simiotics.com](mailto:sophia@simiotics.com) - ML Workflow & Interop Committee: I can commit couple of hours per week - if it would help you. I can help with marketing communications, social media support, finding great speakers, setting the program.
  - [Maureen McElaney](#) - Trusted AI Committee: I am on the waitlist for OSS NA for my Trusted AI workshop. I'd love to be involved with any planning we have for these conferences.
  - Ivelin Ivanov, [ivelin.ivanov@ambianic.ai](mailto:ivelin.ivanov@ambianic.ai) - Outreach Committee: Planning for agenda topics.

- [Wenjing Chu](#) - I have a talk accepted in the earlier LF Membership Summit which was canceled due to the pandemic. I'd be happy to participate and share. The topic is on promising building blocks that can enhance human trust in AI & ML.
- [Ivelin Ivanov](#) - I am based in Austin and would be happy to help with the LF AI summit.
