## Amundsen Group Calendar Overview

Group calendars are managed within [LF AI Foundation Groups.io](#) subgroups (mail lists); with each sub-group (mail list) having a unique group calendar. Meeting invites from these group calendars are sent to the applicable sub-group (mail list). In order to see the various group calendars you must:

- Be logged into [LF AI Foundation Groups.io](#)
- Be subscribed to the sub-group(mail-list) you're interested in
- Thereafter, you will see all the calendars for the sub-groups you subscribe to under your [LF AI Foundation Group Calendar via Groups.io](#) OR
- You can also view a specific group calendar via the Wiki (if the group has created a Wiki group calendar) whether you are a member of the sub-group (mail list) or not
  - Example: [LF AI TAC Group Calendar \(tac-general@lists...\) via Wiki](#)
