LF AI Lightning Talk

Event Schedule: <https://cncf.lfai.foundation/schedule/en>

LF AI Talk: <https://cnosvschina20eng.sched.com/event/dlMx/lf-ai-accelerating-open-source-ai-innovation-and-collaboration-ibrahim-haddad-phd-lf-ai-foundation>

Date /Time	Length	Topic	Abstract	Speaker	Presentation (Link) - <i>to be updated with Chinese translation</i>
Thursday, July 30 at 20:20 - 20:40	20 minutes	LF AI: Accelerating Open Source AI Innovation and Collaboration	<p>Over the past two decades, open source software -- and its collaborative development model -- has disrupted multiple industries and technology sectors, including the Internet/web, telecom, and consumer electronics. Today, large scale open source projects in new technology sectors like blockchain and artificial intelligence are driving the next wave of disruption in an even broader span of verticals ranging from finance, energy and automotive to entertainment and government.</p> <p>In this talk, Dr. Haddad will provide a quick overview of the efforts of the LF AI Foundation in supporting the development, harmonization, and acceleration of open source AI projects and how to get involved.</p>	Dr. Ibrahim Haddad, LF AI Foundation Executive Director
