

Egeria Dojo program

Egeria Dojos are a great way to get hands on experience on using Egeria. All the existing Dojo content is available online [here](#) .

From time to time new Dojo content is created and / or presented. The table below contains is the planned Egeria Dojos.

[Dojo community call.pdf](#) were slides presented and updated on 22nd of October in the Egeria community call. The below table is the definitive information used for planning the Dojos.

| Date | Time | Title | Description | Contributors | Key Reviewers |
|--|--------------------|------------------------------------|--|--|------------------------------------|
| 17th January 2022 | 10AM-17:00PM (UTC) | Running Egeria | How to setup and run Egeria in different environments. Move over to use XTDB (Crux)? Using K8s. This will include the Jupyter notebooks. This will cover usage of the React UI. Zoom Conference https://zoom.us/j/523629111 | Nigel : day owner David :Server author Ljupcho: help Nigel | Chris R. |
| 18th February 2022 | 10AM-17:00PM (UTC) | Developing on Egeria | ›Links to be able raise issues / get help. ›Connector overview ›Use of java clients, postman collections (for testing) and using the digital resource connectors in applications ›Developing ›Data connectors ›Integration connectors ›Repository connectors ›Egeria Diagnostics ›Egeria APIs Javadoc, swagger (rest calls not supported, platform & view services supported), Python ›Pulling in samples (from the Git samples repo) so there is an example for a connector / project ›Packaging | Mandy owning developing day Nigel help with packaging | Jakub Billy Yevgeniy |
| 14th March 2022 | 10AM-17:00PM (UTC) | Day 1 and 2 consolidation (part 1) | This is an unstructured session where people can run through Day 1 or Day 2 content. Egeria maintainers will be available to help sort out any issues, review any content and help you consolidate what you have learnt. The day 1 and day 2 Dojo content was improved as a result of running then in January and February. This is a chance to review the improvements and provide any more refinements we need to make to the materials. Zoom Conference https://zoom.us/j/523629111 | Nigel Mandy and David | n/a |
| 14th April 25th April 2022 | 10AM-17:00PM (UTC) | Day 1 and 2 consolidation (part 2) | This is a second unstructured session where people can run through Dojo Day 1 or Day 2 content. Egeria maintainers will be available to help sort out any issues, review any content and help you consolidate what you have learnt. The day 1 and day 2 Dojo content was improved as a result of running then in January and February. This is a chance to review the improvements and provide any more refinements we need to make to the materials. Zoom Conference https://zoom.us/j/523629111 | Nigel Mandy and David | n/a |
