2022-01-26 TSC

Attendees

- Mandy Chessell
- Cezar Sîrbu
- Nigel Jones
- William Bittles
- Maryna Strelchuk
- Ljupcho Palashevski

Notes

Cezar presented his finding around the User Interface consolidation

- he has a React based framework
- he hopes to prove that he can run both Egeria Ui components in it and React UI components
- we agreed to future steps that have been documented int he link below

User Interface consolidation
