Presentation Overview

Session Title:
LF AI & Data Mini Summit

Description:
The LF AI & Data Foundation mission is to build and support an open AI & Data community, and drive open source innovation in the AI & Data domains by enabling collaboration and the creation of new opportunities for all the members of the community. We invite you to join us for our mini summit where we will cover the latest updates from the Foundation, Technical Advisory Council, Trusted AI Committee, Outreach Committee, technical projects, and more. We look forward to uncovering new collaboration opportunities among our growing community. Join us!

Cost: $5 with OSS EU registration. Attendees must be registered for OSS EU in order to attend.
